

## OPEN SANDWICHES

Open sandwiches are traditionally eaten for lunch in Scandinavia. It's a time to sit down and enjoy the Scandinavian delicacies – topped on pieces of crusty wholemeal or rye breads and beautifully decorated.

We recommend 4-5 pieces per person for lunch. Note that open sandwiches are best enjoyed seated, using cutlery, and are not suitable for eating standing up (refer to alternative menu for party options). Each sandwich is priced at £2.00

**If you are unsure of what to order or ordering for a smaller lunch, why not go for Chef's Choice? We guarantee a good varied mix for your guest of our popular open sandwiches, both meat, fish and vegetarian.**

**Chef's Choice** 5 people (5 open sandwiches per person) £45 (additional persons £9)
